

GÜLŞAH KARDELEN FURAT

Psychology Graduate | AI Content Evaluation | Research & Content Quality

İzmir, Türkiye | Phone:+90 545 366 61 95 | Email: pskgulsahfurat@gmail.com | LinkedIn: psk- gülşah-kardelen- furat

PROFESSIONAL SUMMARY

Psychology graduate with academic training in psychological research, behavioral and cognitive psychology, psychological assessment, and evidence-based approaches. Skilled at reviewing information critically, identifying inconsistencies, organizing complex material, and communicating findings clearly. Additional training in CBT, ACT, crisis and grief therapy, and MMPI-2 application. Currently developing practical experience in AI-assisted content creation, translation, proofreading, and content evaluation through freelance platforms. Interested in human-in-the-loop AI training and evaluation, particularly reviewing psychology-related outputs for accuracy, clarity, logical consistency, appropriate terminology, and responsible use of psychological concepts.

CORE SKILLS

- Psychology Content Review & Editing
- AI-Generated Content Evaluation
- Research & Fact Checking
- Critical Analysis & Quality Control
- Psychology Writing
- Proofreading & Revision
- Turkish ↔ English Translation
- CBT & ACT Concepts
- Psychological Assessment Concepts
- Clear Written Communication
- Attention to Detail
- Problem Solving & Process Coordination

PROFESSIONAL EXPERIENCE

Operations Assistant Manager | Sushico

June 2023 – July 2025 | İzmir, Manisa, Bodrum branches

- Supported day-to-day operational coordination across multiple restaurant branches, working with branch managers and service teams.
- Followed operational performance, staffing, supplies, customer experience, and routine reporting processes.
- Worked with management on cost and revenue-related reporting, including wage, rent/common-area, and supply-cost considerations.

- Handled problems in a fast-paced environment, prioritized tasks, and coordinated communication between different operational levels.
- Developed strong attention to detail, responsibility, written reporting, and practical problem-solving skills.

Psychology Intern | BST Psychology Center

Internship experience | İzmir

- Observed and supported psychology-center workflows while gaining exposure to psychological assessment and professional practice.

RELEVANT FREELANCE & AI-ASSISTED WORK

Freelance Content, Translation & Editing Development | Bionluk & Upwork

2026 | Remote

- Built service profiles focused on Turkish–English translation, proofreading, psychology content writing, and research-oriented writing.
- Developed psychology-focused content samples and service descriptions designed for online clients.
- Practiced AI-assisted drafting followed by human revision, restructuring, proofreading, and quality checking rather than relying on unedited AI output.
- Worked on positioning psychology knowledge for content, research, and AI-evaluation workflows.

EDUCATION

B.A. Psychology | Dokuz Eylül University

Graduated 30 July 2021 | High Honors

Academic focus included psychological research, behavioral and cognitive psychology, psychological assessment, research methods, and evidence-based psychological approaches.

ADDITIONAL TRAINING

- Cognitive Behavioral Therapy (CBT) Training
- Acceptance and Commitment Therapy (ACT) Training
- Crisis and Grief Therapy Training
- MMPI-2 Practitioner Training
- Family Counseling Training – Marmara Family Counseling (2023)

LANGUAGES

Turkish: Native | English: Upper-intermediate reading/writing; YÖKDİL 81.25 (2021)

ADDITIONAL INFORMATION

Interested in remote freelance work involving AI training, response evaluation, psychology content quality, research, proofreading, and human-in-the-loop review. Comfortable learning new digital workflows and following detailed evaluation guidelines.
